

MediaNet Announces New Roster of Customers

New York, NY, January 11, 2010 — MediaNet, the industry leading business-to-business provider of premium digital media content, announced today a roster of new customers signed during the 2009 holiday season. The new customers, utilizing the Company's MN Open API and Web Components, include 20/20 Management, Masterbeat, Moozone.com, Musichustle, My Music Society, Pocket Tunes, RaineySongs Entertainment, Sparkart, Spinlets, StarCity, Stereofame.com, UpandDownload, UrbStyles.com, Voxound, WaTunes, and WebTunes.

Alan McGlade, CEO of MediaNet commented: "MediaNet did not experience a break this holiday season as businesses continued to see the value in premium digital content. MediaNet signed more than a dozen new customers at the end of the year which brings us to more than 60 new customers since we introduced our new API and Web Components."

These new customers integrating MediaNet's APIs and Web Components include:

- [20/20 Management](#) will be offering an online event ticketing service.
