

Voltaire Signs Software License and Development Agreement with IBM

CHELMSFORD, Mass. and RA'ANANA, Israel – December 22, 2010 – Voltaire Ltd. (NASDAQ: VOLT), a leading provider of scale-out data center fabrics, today announced a license and development agreement with IBM Corporation. Under the terms of the agreement, Voltaire will license selected software to IBM

Under the terms of the agreement, subject to achieving milestones and acceptance criteria, Voltaire expects to receive license fees and non-recurring engineering fees totaling approximately \$17 million through 2012, the majority of which Voltaire expects to receive in 2011. Voltaire is entitled to receive ongoing support fees based on sales volume following the completion of integration and commercial roll-out.

Voltaire signed an agreement on November 29, 2010 to be acquired by Mellanox Technologies, Ltd. The acquisition is subject to approval by Voltaire's shareholder and other conditions.
